Product Description

Ice ball portable maker bottle Capacity Ice Cube Tray with 18 Cavities Stackable Design

Product Description:

Ice Cube Tray is an essential tool for any kitchen or bar. It provides a convenient way to make, store and organize frozen cubes of ice for your favorite beverages. The tray is made of high-quality, durable materials that are dishwasher safe and can withstand temperatures ranging from -40°F to 230°F. Furthermore, the Ice Cube Tray can be safely used in the freezer and microwave, making it a perfect choice for any kitchen. Available in three sizes, small, medium and large, the Ice Cube Tray is an ideal ice cube mold frozen tray for making and organizing your ice cubes. It is also a great ice cube organizer that keeps your ice cubes organized and easy to find. With the Ice Cube Tray, you can enjoy a cold drink anytime.
